1. INTRODUCTION

The purpose of the association is to bring together migrant churches and other Christian churches / organizations, which can find themselves together in the work of God's Spirit in the world based on the accomplished work of Christ on the Cross. We strive for peace, agreement in the body of Christ in the Netherlands.

We work together with all organizations that share our vision and partner with other organizations that are concerned with the welfare of mankind.

2. MEMBERSHIP

Membership is open to Churches and Organizations that acknowledge Christ as Lord and Savior. We embrace the unity of the body of Christ.

3. GOAL

It is our aim to bring peace, settlement, oneness and love among member churches and the Christian bodies in the Netherlands.

With special reference to the following:

1. The promotion and furtherance of good relations between member churches and other Christian organizations in the country and the world in general.
2. The maintenance of a high standard of Christian principles and ethics among the member churches.
3. The provision of fellowship among Pentecostal Christians, bringing about revival and supporting any great move of God in the church.
4. The promotion of evangelical activity and interchange of ministries, and pulpits among member ministers and to encourage close co-operation and fellowship among the various departments of member churches.
5. The defence and upholding of freedom of conscience and to make known to Christians trends and spiritual dangers which could undermine the foundations and tenets of the Christian faith.
6. To provide representation before Government when necessary.
7. The organization and promotion of Christian education, social, health and emergency relief services among members and the community.

4. PLAN FOR 2025 -2028 (GOALS AND STRATEGIES)

Our main goals for this period are as follows:

1. To strengthen the cooperation among member churches
2. To encourage monthly meetings of all member churches
3. To organize a yearly prayer conference
4. To continue to organize our yearly Your Health is Your wealth project
5. To organize leadership seminar twice a year.

5. THE BOARD: REMUNERATION POLICY (BELONINGSBELEID)

The members of the board receive no remuneration for their activities. They are entitled to reimbursement of the costs incurred by them in the performance of their duties.

Our strategies are to use media such as Facebook, website, etc to publicise the activities of the association and to mobilize support for these activities.

6. OUR VALUES

Teamwork: Together everyone achieves more. We work together for the benefit of all.

Commitment: We do what we planned to do no matter what happen. We do not allow excuse of any kind.

Transparency: We do all-in sincerity, honesty, openness and fairness

Accountability: We take ownership of our responsibilities.

7. FINANCE AND FUNDRAISING

Our projects are financed through donation from individuals, and organizations. We shall explore opportunities to get more funding organizations to partner with us in the coming years.

8. INFORMATION AND COMMUNICATION

In this period, we shall give a yearly written report with photos of all our activities and once a year newsletter to all our partners. The board meets twice a year to plan and to evaluate the programs.

The group of volunteers that forms the management board meets every month to plan and execute our projects

9. OPPORTUNITIES AND CHALLENGES

There are many churches that are yet to be member of our association. There is a great opportunity to bring these churches together, so that we can work together for the betterment of our community.

The challenge is convincing them to be members. There are so many divisions among the Christian churches due to theological interpretation and understandings. This is a great challenge. We hope to continue to work solving this problem in the coming years.

10. CONCLUSION

We are grateful that as churches in the Netherlands we are free to exercise our faith and through this show the love of God to people in our city by serving to meet their needs.
